Routes to discover

Explore a variety of itineraries carefully designed to highlight the main attractions and hidden secrets of this lovely city.

www.visitguarda.pt

SATURDAY

In the morning: Start your day by visiting Passadiços do Mondego (Mondego Walkways); Have lunch in one of the traditional restaurants of the city.

In the afternoon: Mandatory stop in Maçainhas to visit Associação Genuíno Cobertor de Papa; In the village of Meios, the Weaving Museum; Back in the city, we suggest you to try the typical Guarda D. Sancho cake or the Bola Parda. After recharging, enjoy one of the most pleasant leisure areas that the city offers its visitors. The Parque Urbano do Rio Diz.

SUNDAY

In the morning, visit the historical centre of the city:

- Cathedral,
- Tower of the Blacksmiths,
- Museum of Guarda.

In the afternoon: If it is hot, be sure to visit our river beaches. Around here, the Mondego and Zêzere rivers offer clear, crystal waters that invite you to moments of pure rest and harmony with nature. If it is cold and some recollection is required, visit our villages, discover the museum houses, workshops and other equipment that preserve the knowledge and the arts that are the pillars of our identity.
